20:30 Only the Secretary is to contact contractors  20:40 CF - Signage Details from Brenda to give to Behnam  20:45 CF - All members of Committee to contribute if able  20:48 Email from resident re code of conduct and remit of committee, contractor for carpark line painting and get togethers, etc  We look after the common grounds and promote social activities - we support activities organised by members and normally organise an annual gathering once or twice a year.  We don't have authority to do everything. Householders need to take responsibility for their properties and their own block. We can sometimes help with providing information to all relevant owners.  Code of conduct - Facebook page: This was set up by a resident for residents and is promoted on the website. We do not manage the page and do not take responsibility. We are all entitled to use and add comments. But if committee members make comments on the page, those may not reflect view of the committee.  Committee do not monitor visitor spots.  Carpark line painting - The contractor applied primer and painted properly. Paint doesn't last long on stones. A committee member is trying road paint spray which might last longer on stones.  SR to draft an email response to the resident.	20:15	BB - There should be consultation between all members of the committee. We need to support each other.  Bamboo area not planted	One member should not have direct communications with a contractor of which other members of the committee are not aware.  All emails to be sent/forwarded to all committee members, not just title holders. WhatsApp group already being used.  *G has been paid minus the £265 for planting of shrubs. SR to draft email - come back with your suggestions and whether
